

SHARED LEARNING ASSOCIATION

Members of the Writing and Sharing Personal History course via Zoom

Chapel Hill's Shared Learning Association offers non-credit educational courses for people who love to 'share learning' with other adults with similar interests. Due to the Covid-19 pandemic, Shared Learning will offer 24 on-line courses via Zoom, beginning September 14 and ending December 18th. Full semester courses are moderated by our members and include: fine arts, hard sciences, humanities, current events and social and behavioral sciences.

For a **Fall membership fee of \$25**, students may take as many courses as they can fit into their schedule. The Fall 2020 Catalog includes a registration form with full course descriptions and schedule and is available on line at: <http://sharedlearning.us>. Or, to receive a paper copy, you may contact Mary Ann Freedman at: (919) 593-3335, (maryafreedman@gmail.com). **Registration** for the Shared Learning Fall On-line Courses will begin on August 3rd.
